

Here are a few more ideas on how to get pupils started on EDL.

### Sticker competition

- Staff offer to wear different language stickers (ideally a language that they speak/know a few words of). Children have a grid with all the languages on and a column to add adult's signature next to correct language. Competition to see who gets most correct answers. Prizes for winners. You can order stickers at our [online shop](#).

### Music competition

- Select excerpts from tracks in ten different languages. Children complete grid adding language they think song is in to track number (eg no. 1 Spanish) Competition to see who gets most correct answers. Prizes for winners.

### Food Tasting

- Children have the opportunity to see food being made or make food (using/following instructions for recipe in foreign language) and then taste it. They must ask to try it and give polite feedback on it using target language!

### Dance

- Children learn a traditional dance from foreign country (following instructions in target language). Children can practice this and perform as part of special EDL assembly.
